

CANADA AI NATIONAL CHALLENGE PARTICIPANT CONSENT FORM

Participant Full Name: _____

Division Category: _____

I, _____, acknowledge that by registering for the Canada AI National Challenge 2025, I agree to the following terms and conditions:

1. Participation & Originality

- I confirm that my submission is my own original work that has not been previously submitted to another competition or published elsewhere.
- I understand that plagiarism, using tools and technologies, or complete reliance on AI-generated work or code without proper attribution and reference will result in disqualification.
- I confirm that all AI models, datasets, and code used in my project are either my own work or properly credited and comply with ethical AI guidelines.
- I confirm that I will submit two separate projects if I register both individually and as part of a team.

2. Eligibility

- I confirm that I am a Canadian resident, an international student currently studying in Canada, or a homeschooled student in Canada.
- I verify that I meet the age requirements for my selected division: Beginner (Ages 8-12 as of May 31, 2025), Junior (Ages 13-15 as of May 31, 2025), or Senior (Ages 16-18 as of May 31, 2025).
- I confirm my participation as an individual and/or as part of a team with up to three members and understand that if members belong to different division categories, the team will register in the division of the oldest member.

3. Use of Media & Project Materials

- I grant permission for my project, including videos, descriptions, AI models, and related files, to be used by the competition organizers for promotional, research, and educational purposes.
- I consent to the use of my full name, image, and relevant information in event-related publicity materials, including but not limited to websites, social media, and newsletters.
- I understand that the competition organizers retain the right to publish and showcase my submission as an example for future participants.

4. Liability Waiver

- I acknowledge that participation in the competition is voluntary and that the competition organizers are not responsible for any loss of data, technical failures, or unforeseen circumstances that may impact my submission.
- I agree that the competition organizers, sponsors, and affiliated institutions are not liable for any personal injury, loss, or damage that may occur during my participation in the CAN AI Innovation Challenge.

5. Code of Conduct

- I agree to follow ethical AI practices, ensuring my project does not contain harmful, biased, discriminatory, or misleading AI-generated work.
- I acknowledge that any violation of ethical AI practices, including inappropriate data sourcing or biased model training, or competition rules and conditions, may result in disqualification.
